

Joe Hawes

Graduate Student - Johns Hopkins University

My name is Joe Hawes.

I live in Dallas TX with my wife Shizuka and our dog Max.

I have a BS in Infomation Science and an MS in Data Analytics from the University of North Texas.

I enjoy traveling, watching sports, playing video games and following AI research and development.

Feel free to check out my projects or github at the links in the top right. Thanks!

Projects

Module 1 - Personal Website Using Flask
